ENCLOSURE : (1) Executed Acknowledgment Copies,
Subject Contract

This Contractor has reviewed the provisions of the subject contract and returns executed acknowledgment copies as Enclosure (1) hereto.

During Reference (a) discussion, Contract Clauses (General Provisions) were reviewed. Although this Contractor questioned the inclusion of Clauses 29, 33 and 47, it was mutually agreed that (1) the clause was superseded by reference under Contract Schedule, or (2) the clause was self-deleting. Further, it was agreed that a contract amendment would be issued to extend the delivery schedule pending completion of status review and mutual agreement of both parties.

Your efforts in providing this definitive contract in a timely manner is sincerely appreciated by this Contractor.
